

### **Genaera Liquidating Trust Announces Interim Distribution**

July 14, 2010 – Southampton, PA – An interim distribution of \$0.13 per unit (share) was made as of June 30, 2010 through the Depository Trust Company (DTC). This deposit should now appear in the brokerage accounts of former shareholders. If you are a unit holder (former shareholder), please check your account. If the deposit has not been posted to your account, please contact your broker directly. The Genaera Liquidating Trust does not have access to individual unit holder information.
